

ECONO-FLOW Range - General Purpose Plastic Ducted Fume Cupboards

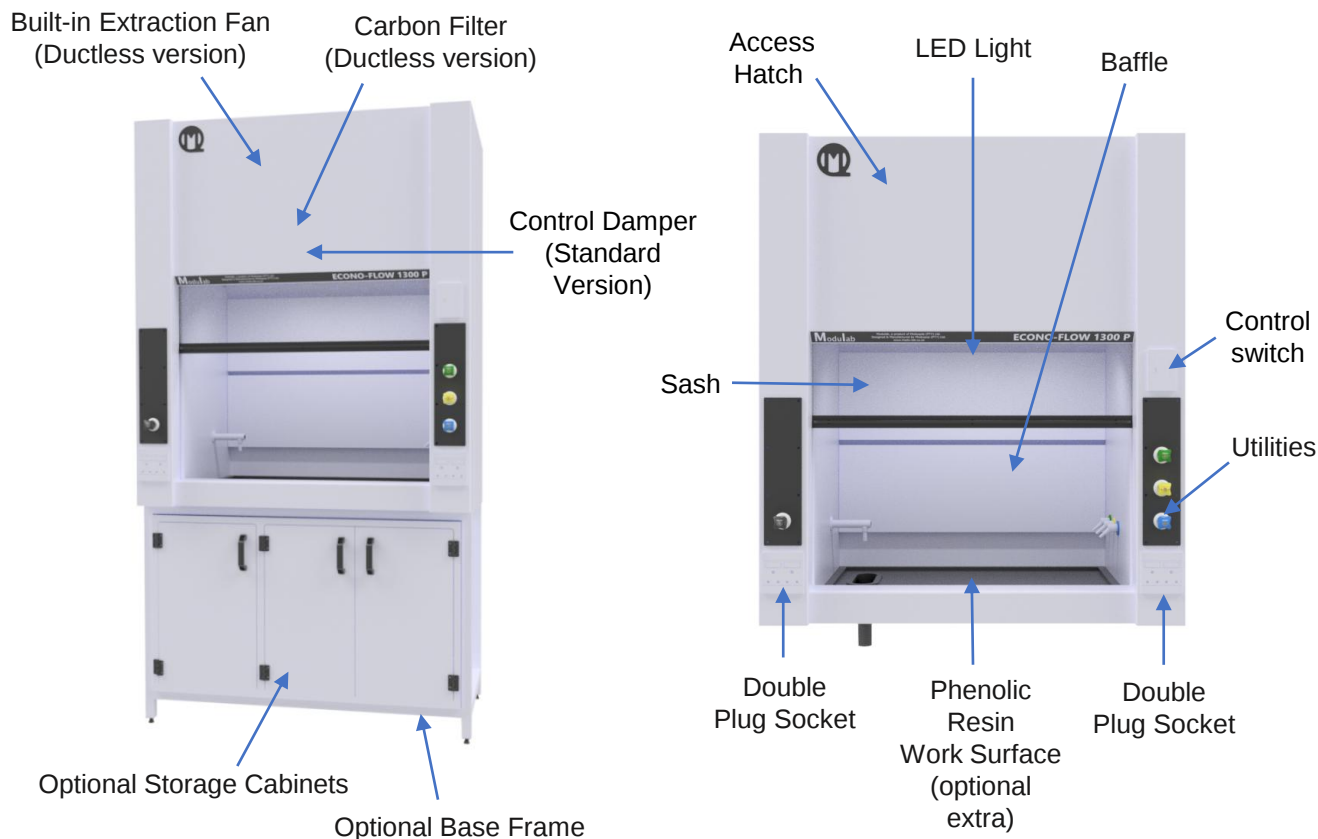

Modulab's ECONO-FLOW range of fume cupboards are made for laboratories with limited expenditure budgets. The basic design of this range lends to a low cost of manufacture but still gives the user all the luxuries associated with a more expensive fume cupboard. All fume cupboards in this range are made from light weight, chemical resistant Polypropylene therefore little to no degradation is caused by chemical fumes and spills. The range is made up of three different size models to meet client requirements. A variety of add-ons and utilities are available on request. Customers may purchase the fume cupboard module without the support frame and storage cabinets should they wish to mount the unit on an existing counter or frame.

Standard Features:

- Made from DiBt approved Polypropylene
- Manually operated cast polycarbonate or tempered glass sash.
- IP68 LED light – Bright White
- 2 x double 240VAC plug sockets (Single Phase)
- Remote Control Switch
- Manually adjustable outlet damper
- High performance baffle plate

Optional Extra Accessories:

- Powder coated, mild steel base frame with adjustable feet
- PP-H cabinets (only with base frame)
- Variety of front control utility taps and faucets (Water, LPG, Vacuum, Nitrogen etc.)
- Oval drip cup (260x100mm) with waste and bottle trap
- MQAFM1 Airflow Monitor
- High sash alarm (only with MQAFM1)

★ We build custom sizes on request
