

TOF Range – Safety Equipment

Safety is a primary element in any working environment. Emergency showers and Eye Washers are designed to generate an immediate jet of water with a sufficient volume to ensure initial cleaning and first aid on parts of the body exposed to harmful substances or excessive heat.

Emergency Showers

Wall-mounted Emergency Shower

Ceiling Mounted Emergency Shower

TOF Range – Safety Equipment

Safety is a primary element in any working environment. Emergency showers and Eye Washers are designed to generate an immediate jet of water with a sufficient volume to ensure initial cleaning and first aid on parts of the body exposed to harmful substances or excessive heat.
